TOTAL:	\$1,423,771

As stewards of Jesus Christ, we lead by living genuinely and accepting the challenge that has been set before us. We give regularly and proportionately to the work of Brentwood Presbyterian Church. Our pledges and contributions, large and small, are extremely important to the mission and ministry of BPC. With your help, we can bring to life the core purpose of BPC:

To know and be loved by God – to know and love others.

*These graphs show the budgeted source and use of funds for 2018. As we have in the past, we present our budget by estimating an allocation of personnel costs to each specific ministry. We believe this gives you a clearer idea of how your vital pledge dollars are put to work.

2018 Stewardship Campaign for Brentwood Presbyterian Church

God's Economy

"... but to act justly, love mercy and walk humbly with your God."

Micah 6:8

There has always been a healthy tension and debate, in Christian circles between the compassion and simplicity, the generosity and sacrifice of the Gospel message and the too often evident greed, drivenness, and competition of a pure, unfettered Smithsonian capitalistic system. Most economists and theologians will agree that there is something inherent in the freedom of the capitalistic system that creates a favorable environment for Christianity to thrive, but what is the right balance? In our pursuit of the American dream, have we blindly accepted the underlying premise of an entire way of life at odds with God's vision for our lives and world? Join us over the next four weeks as we explore the ins and outs of "God's Economy", and the sort of life that brings about true peace, contentment and satisfaction while beckoning us to God's call to love, serve and heal the world.

*Faithfully yours,
Rev. Dave Carpenter*

OUR VITAL MINISTRIES AT BRENTWOOD PRESBYTERIAN CHURCH

Worship & Music seeks to inspire and encourage the church to worship God, in Christ Jesus through powerful sermons, beautiful and uplifting music, liturgy and prayers. There are many ways to serve the church in this ministry: Choirs, Worship Band, Tech Team, Drama Team, Ushers, Communion Servers, and Worship Planning Team. The Worship & Arts Ministry uses the creative arts to tell the life-changing stories of the Scriptures and bring all of the glory to God in this community of faith. Led by Director of Music & Arts Kathyne Levin, Elder Carol Maddon and Ministry Leader Bob Tonkin, Rev. Dave Carpenter.

Children's Ministry welcomes and loves all children as beloved recipients of God's grace. As a church, we seek to provide a safe, loving and nurturing Christian environment in which children may grow their faith, experience God's love and create healthy relationships with God, with self and with others. We are committed to providing quality Sunday morning Sunday school experiences, parenting classes, special holiday events and our annual Vacation Bible School summer camp. Led by Director of Children and Family Ministries Michelle LoMonaco, Preschool Coordinator Faviola Malilay, Elder Ellie Laita, and Rev. Dave Carpenter.

Youth Ministry creates an environment where youth and young adults feel welcomed and supported. We help our youth deepen their faith at weekly Sunday morning Youth Groups by providing a safe place where they are able to connect with God through unconventional methods, as well as regularly serving as worship leaders in Sunday services. We also provide monthly activities where our youth have fun and fellowship with one another, sometimes with other churches, and special mission service opportunities such as our annual trip with Amor Ministries to build houses in Mexico. **We strive to create a community where youth know they are loved by God and others.** Led by Interim Director Bill Wilkin, Elder Richard DeLossa, Ministry Leader Stephanie Jakus and Rev. Dave Carpenter.

Fellowship Ministries oversees ministry areas that support the many fellowship events within our church family. These include: All-Church Events such as Presbyterian Potlucks, Welcome Home Sunday, Bingo Night, and Waves and the Word. Men's Ministry plans breakfast, barbeques, and softball leagues. Women's Ministry promotes spiritual growth through breakfast and annual retreats. Young at Heart/TOPS Ministry organizes lunches and historical trips around the SoCal area. Led by Adult Ministry Elder Jodie Hahn and Ministry Leader Yvette Carpenter, and Rev. Dr. Judy Siker.

Mission Ministry is our Faith in Action. **We have 19 local and international partnerships whom we support.** Mission believes in providing hands-on opportunities for the congregation to serve with agencies: Thanksgiving Baskets, Socks & Undies Drive, Habitat for Humanity local builds, the annual Angel Store, Adult Mexico build, and TGS. Led by Elder Mike Beck, International Mission Ministry Leader Mary Beth Goring and Rev. Dave Carpenter.

Adult Ministry helps adults build relationships with one another and explore their faith in a spiritual community. The School of Christian Learning provides intellectual and spiritual inquiry development as part of strengthening our Christian faith. Adult Ministry oversees BPC's annual Fall Spiritual Life Retreat. Small Groups Ministry oversees and facilitates small groups that meet regularly to promote Christian spiritual growth and fellowship. Led by Adult Ministry Elder Jodie Hahn, Small Groups Elder Pam Taylor, Small Groups Ministry Leader Jack Gregory, and Rev. Dr. Judy Siker.

Congregational Care Ministry has faithfully served the BPC community for many years. Ministries such as: Chain of Prayer, Loving Meals, Transportation, and many more! In recent years, we have added the Shepherd Ministry, Families with NewBabies Ministry and Care and Connect Ministry. Our goal is always to care for our congregation as lovingly and effectively as possible! Led by Director of Congregational Care, Mary Garbesi and Rev. Dr. Judy Siker.

Connecting Ministry is Welcome & Discovery and Connecting. Together, these ministries **welcome guests** with hospitality and information after worship services, invite them to participate in our ministries outside of worship, and assist them in exploring church membership through the **New Member Discovery Series.** We also find opportunities for them to connect with ministries where they can nurture and grow their faith. Led by Connecting Elder Lynn Whitaker and Rev. Dave Carpenter.

BPC Preschool has served the Brentwood community for well over six decades. Your dollars provide this fully accredited preschool with a clean, safe, and convenient facility, parent education and enrichment opportunities and a caring, skilled staff of 25 teachers & aides for 100 preschoolers & 45 toddlers. Interim Preschool Director Shiva Khalifian.
