

STEWARDSHIP SERMON SERIES

Be Relevant!

God's Church | Real and Serving Others

*But store up for yourselves treasures in heaven,
where moths and rust do not destroy, and
where thieves do not break in and steal.*

– Matthew 6:20

At some point in our lives, we all make the shift from being more concerned about our eulogies than our resumes. We start to care more about the significance, impact and relevance of our lives and relationships than the success of our careers, our image, or the things we've accumulated. For many, the same shift needs to happen in the church of Jesus Christ today; to focus more on what it means to be relevant and what it takes to successfully transform lives, heal relationships, stand up for justice and serve our local communities.

Our church leadership share many deep conversations about what a relevant church should look like in today's society, coalescing around some key objectives. We want our worship to be personal, practical and life transforming. We want to dramatically expand our hands on involvement in serving our local community and world. We want to stand up for the things that matter and invest deeply in our children and youth who are the hope of our future.

We pray you will answer the call to stand up with us in our commitment to laying up the kind of treasures that will not fade away five minutes after we finish our leg of this Kingdom pilgrimage on earth. We need your help to show the world what a relevant church looks like!
